

Dear Customer

automotive testing expo 2012 europe

INVITATION CARD

Thank you for your increasing interest in IMV. IMV will be exhibiting at the forthcoming “Automotive Testing Expo 2012 Europe “ and introducing new products in our range. Our innovative new product, ECO Shaker, will be demonstrated on the stand and we are confident that you will see for yourself that the built-in, advanced technology is industry leading. Please bring this invitation card when you visit our booth, where we look forward to meeting you. For further details, please visit our website, www.imv.co.jp.
