

**A-series** meets the needs for  
a versatile test environment.

## Dear Customer

This is to inform you that IMV CORPORATION, the world's leading electrodynamic vibration test systems manufacturer, will be exhibiting at the forthcoming "Automotive Testing Expo 2019 Europe" in Messe Stuttgart, Germany.

We will be introducing our advanced automatic energy saving 30 kN A-series shaker. Please visit our booth No. 1554. We are looking forward to meeting you.
