## Maintenance Techno Show

Dear Sirs,

It is a great pleasure to inform you that we will be introducing our new product during the upcoming 'Maintenance Techno Show' which is held at Tokyo big sight on November 14th-16th.

We are planning to display the Wi-Fi portable Vibrometer named 'Card Vibro Air 2' that will go on the market in the end of 2012.

Please visit our booth during the exhibition to see demonstrations on our latest measuring and analysis technology. We assure your satisfaction.

Enclosed are the invitation for the exhibition.

We will look forward to seeing you at the show.

Sincerely,
