

IMV CORPORATION INVITATION CARD

Dear Customer

Thank you for your increasing interest in IMV. IMV will be exhibiting at the forthcoming "Automotive Testing Expo 2013 Europe" and introducing products in our range. Our innovative product, ECO Shaker, Multi-point Vibration Test System and SAREX-UNO will be demonstrated on the stand and we are confident that you will see for yourself that the built-in, advanced technology is industry leading. Please visit our booth with this invitation card. You will get our original USB! We are looking forward to meeting you.
